

NWP- VT Advanced Institute: Leading and Learning With Study Groups

Day 1

Profile of our schools

Review monographs

Discuss: Why Study Groups?

What are the issues at our schools re reading and writing? What are the values at your school? How do you know?

How to form our inquiry questions? What are our inquiry questions?

Models: Your experience: What works? What doesn't?

Day 2

Continue what works and what are roadblocks?

How to bring Study Groups to our schools?

Draft letter to school leaders

How to present the idea of a study group (Use rationale from Denver, Saginaw?)

What resources can address the issues at your school?

Using Common readings?

Sharing Practices?

Looking at student work?

Day 3

Ning exploration

How will we document our work in study groups?

Evaluation
