The Southern Nevada Writing Project has been working with Southern Nevada teachers and students since 1984 as part of a network of nearly 200 National Writing Project sites. In the last ten years, SNWP youth writing programs have impacted over 3000 students and 200 teachers. As a non-profit professional development organization, we serve teachers of writing at all grade levels and in all subject areas. The mission of the SNWP is to impact student learning by improving the teaching of writing, thereby promoting a vision that every person is an engaged and life-long writer.
